Massachusetts Specialty Gifts and Products

Specialty gifts and products, representing the finest Massachusetts has to offer, are great for gift giving and to enjoy throughout the year.

A gift pack of McIntosh, Cortland or Delicious apples with maple syrup, preserves and cheeses makes a unique gift that will brighten the holiday season and be welcome on many special occasions. A variety of gift packs are available from local orchards and farms.

Other excellent choices for gift giving include: hand-packed farmstead cheeses, high quality maple syrup and preserves, honey, specialty homemade cakes, and naturally smoked country ham.

For the gourmet who appreciates the distinctive flavors added by specialty herb and fruit wine vinegars or mustards, several cottage industries provide the perfect solution.
